Re: Finance Docket # 36077

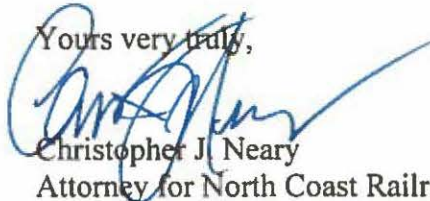

Dear Members of the Board

Petitioners North Coast Railroad Authority and Northwestern Pacific Railroad Co. have reached an agreement with the Sonoma-Marin Rail Transit District as to the transportation and storage of liquefied petroleum products on the Northwestern Pacific Railroad.

For this reason the Petition for Declaratory Order in the above entitled matter is dismissed.

We wish to commend the Board's staff and the Board itself for its courtesies during the pendency of this matter.

Yours very truly,

Christopher J. Neary
Attorney for North Coast Railroad Authority
