Re: KCVN, LLC and Colorado Pacific Railroad, LLC -
Feeder Line Application -
In Crowley, Pueblo, Otero and Kiowa Counties, Colorado
STB Docket No. FD 36005
Request for Extension of Time

Dear Ms. Brown:

By decision served March 3, 2017, the Board directed Applicants in this proceeding to file supplemental "wholesale" pricing information by March 17, 2017. The Board's decision allowed V and S Railway, LLC (V&S) to file a reply by March 24, 2017, and Applicants to file a rebuttal by March 31, 2017.

Applicants timely filed their supplemental information. Upon review of the supplemental information, V&S and its expert find that they need more than one week to investigate the new supplemental pricing and the limited supporting explanation in order to make a full and proper reply. Accordingly, V&S respectfully requests that time for filing its reply be extended for one week, until March 31, 2017 (with the due date for Applicants' rebuttal being extended until April 7, 2017). Applicants do not consent to the proposed extension; however, V&S believes that the request is reasonable, would not unduly delay the proceeding, and should be granted.

Thank you for your consideration of this request, and the issuance of a decision on the request as soon as possible given the current due date of March 24, 2017, would be appreciated.

Respectfully,
