Dear Mr. Navecky:

I would like to express my concerns over the proposed Great Lakes Basin Transportation, LLC rail line project. Docket # 35952. I oppose the project and ask the Surface Transportation Board to deny the proposal. My concerns are: *along with our Farm Bureau in Illinois I oppose this*
I had written to you & expressed my concerns about the Proposed

Great Lake Basin Transportation, LLC rail line Project DOCKET #35952

"Many times in 2016 I own several Acres of Goodrich farm ground on"

the line of this Proposed Railroad in Grundy County Illinois

I also live in Grundy County
& for all the reasons I already deny the Railroad. I am

Writing again after I now hear these same Privately Funded

Board want to run a "Toll Road" along side of the

241 mile long Railroad that would also run from Milton-

Wisconsin to La Porte Indiana. That would run from Grundy County,

& then will cross into Kankakee Co. starting close to I 57. I "do not"
want this Project to go ahead. I deny it happening at all.

Respectfully Submitted by (signature) Patricia Polusky (ph#) 815-237-2448
