ENTERED  
Office of Proceedings  
May 9, 2017  
Part of  
Public Record

The ability to pay for a project is a key component to determining public necessity. Great Lakes basin Railroad has not shown any ability to finance their project. For this reason the project should be denied. In the interest of openness their request to keep their investors confidential must also be denied. The public has a right to know who is behind this project.
