Re: Hartwell First United Methodist Church –
Adverse Abandonment and Discontinuance – The Great Walton Railroad
Company, Inc., in Hart County, GA
Docket No. AB 1242
Errata to Rebuttal

Dear Ms. Brown:

On June 13, 2017, Hartwell First United Methodist Church filed its Rebuttal in the above-captioned proceeding. Upon review, we discovered a typographical error in the text. Please accept this letter and make the following correction in the first full paragraph on page 11 of the Board's copies of the Rebuttal:

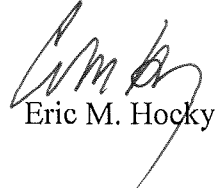

Hartwell First did not present evidence of its title to the property where the north spur was located because it did not view its title as an issue in this adverse abandonment proceeding. However, because GWRC has raised the issue, Hartwell First is submitting the following documentation as evidence of its title to the strip of property approximately 100 feet (97.75 as currently measured) wide and running along the railroad right of way between Webb Street and Bank (now Chandler) Avenue:
