Group's City:	Memphis		
Group's State:	TN		

Submitter's Comments

This proposed rule to limit the number of 180 day extensions for trail us negotiations is counter to the intent of the Act. If adopted, you will set a clock by which every section of rail line that has reached its' sixth extension period will be lost forever for use as a railroad. My reading of the CFR does not indicate otherwise. 1152.29 (a)
