Re: Statement of Support in STB Finance Docket No. FD36168—Oakland Global
Rail Enterprise—Petition for Declaratory Order

Dear Ms. Brown:

This letter is to notify you that Union Pacific Railroad Company ("Union Pacific") supports Oakland Global Rail Enterprise ("OGRE")'s proposed rail construction project described in the above-referenced Petition for Declaratory Order and its associated plan to restore freight rail service at the former Oakland Army Base ("OAB"). The plan would reconnect substantial portions of the OAB area to the interstate rail network, in furtherance of the national rail transportation policy.

Union Pacific currently has agreements that allow it to operate on existing track adjacent to the OAB that is owned by the City of Oakland, and controlled by the Port Board of Directors (a department of the City). As part of its planned operations, OGRE will provide last-mile switching services on behalf of UP at the OAB. As such, OGRE and UP have executed an ITA providing the parties with rights to enter upon one another's property in furtherance of these contemplated operations. While UP fully supports OGRE's construction project, we do not take a position on the merits of OGRE's Petition for Declaratory Order. We only request that the Board proceed expeditiously to a decision on the Petition to provide OGRE with a clear path forward.

Sincerely,

Clint Schelbitzki
