Dear Consulting Party,

Attached is a map of the Tongue River Railroad Construction project area. The map indicates locations where we have been granted access to conduct cultural resources surveys as of May 5, 2014. We produced this map at the request of Najah Duvall-Gabriel of the Advisory Council on Historic Preservation. Najah suggested that a map of this nature would be helpful to you in understanding our constraints in gaining access to certain areas of alternatives under consideration.

Please feel to contact me if you have any questions regarding the map.

Thank you.

-Cathy
