Subject DM&E Project - Tribal Meeting Request

Dear Russell Eagle Bear:

The Surface Transportation Board would like to set up a meeting with your tribe individually to discuss our government to government responsibilities with you regarding the DM&E Project. This request follows a letter that we received from you on April 25, 2008 (copy attached, EI-7271) asking for this level of consultation and our letter reply to you of June 3, 2008 (copy attached, EO-946) affirming my agency's interest in meeting with you and your Chairman.

I am intending to travel to South Dakota the week of the 21st of July and could meet with the Rosebud Sioux tribal leadership the 21st of 22nd of July. If those dates are not available, please let me know which dates in July would work for you (earlier would be fine). Otherwise, we could look towards the month of August.

Thank you,

Catherine Glidden
