Nancy, I just heard back from Mayor Brown's office and the Mayor has no problem whatsoever with Congressman Young and Mayor Myers of Greenwood participating in the conference call at 10am tomorrow.

Also, I have the phone number and access code for the call:

Hello Vicki,

I was just touching base with you to see about our participation in the conference call with Mayor Brown tomorrow. Please let me know if you were able to reach her office. If it is more appropriate to schedule a call for us next week, we are flexible as well.

Thanks very much,
Nancy
