Kathryn and Jay -

Brian sent out the first Quarterly Monitoring Report for Port MacKenzie on Tuesday, May 1, 2011. It does not appear that the report was distributed to the parties below, as I had requested.

Can you follow-up with Brian and ensure the report is properly distributed?

Thanks,

Dave

As required by Mitigation Measure 98, the Quarterly Reports are to be distributed by the Alaska Railroad "to appropriate Federal and state agencies, as specified by OEA." The parties that shall receive copies of the Quarterly Reports are provided below.

I will let you know if there are any additions or deletions to this distribution list as the projects develop.

Please let me know if you have any questions.

Thanks,

Dave
