Greetings,

The railroad has agreed to fund up to 2 people per tribe to attend the January 25th-26th STB Tongue River Railroad Meeting to be held in Rapid City, SD. We will need to have some justification for the second person's attendance. The railroad will pay for lodging, per diem, and hotel for eligible persons.

If you would like to be reimbursed for your travel, it is very important that you prepare and sign the attached W-9 Form and return it by **Thursday** of this week (January 12, 2012) if you need to receive payment **before** the meeting. Otherwise, you will be reimbursed by check after the meeting.

You'll need to send the signed form (first page only) to Randy Withrow who is with the Louis Berger Group, Inc. (our third-party contractor) by fax at 319-373-3045. You can also send the scanned form via email to Randy at rwithrow@louisberger.com.

Please also include the following in your email or fax response: 1) estimated round-trip mileage, and 2) which night(s) you will need a room (24th, 25th, or both). I anticipate ending the meeting early on the 26th to allow people time to return home afterwards that day (if so desired).

Don't hesitate to call me if you have any questions (202-245-0293). I will be sending out a global email with the rest of the meeting details by this Friday.

Thanks!
-Cathy
