Hi Najah,

Per your questions during our call today, please take a look at the consultation timeline sent yesterday. You may note that the Draft PA was sent to SHPO in March 2010 and then STB met with the SHPO in April 2010 to discuss it. Starting on page 3, you'll see that consultation with tribes, Alaska Natives, and the other parties started back in February 2008, and detailed meetings about the alignments, Iditarod, Dena'ina were held in February 2009, so the consultation has been going on for a couple of years now. It was really nice talking to you this morning, and please let me know if you have any further questions.
Rick

Subject: Draft agenda for Thursday's meeting

Hi Tracie and Doug,

Please take a look at the attached meeting agenda, and let us know if you have any comments/changes. If it looks all right please let us know so we make it final and send it out to the rest of the attendees. As you can see from the attendees list on page 3 of the agenda, we expect a good turnout. For your reference, I am also enclosing an updated summary of our Section 106 consultation, with the outreach effort for this meeting starting at the bottom of page 6.

Please let us know if Judy plans to attend the meeting. I would also like to speak with you later, to discuss any general comments about the Draft PA you may have in addition to simplifying the reporting requirements.

Thank you very much,
Rick
