Kathy -

We'll likely have one or two back-up agency-focused webinars on May 3 and May 4. These webinars would not be DOT-specific but would open to any interested federal or state agency representative that could not make a previous webinar.

Thanks.

Dave

Thank you very much. I'll get email addresses, and send together. I forgot to ask if this webinar will be replayed? Some of our people cannot make the April 6 time.

Kathleen -

Thank you for your call. This is to confirm that you'd like to be invited to the April 6, 2016 webinar for federal and state transportation agencies. The webinar will be held from 9:00 a.m. - 11:00 a.m. Central Time.

In the near future, we will send out a webinar invite with the webinar number/address and pass codes.

If you have colleagues within the WI DOT that you'd like us to add to this invite, please provide their names and email addresses. If you'd prefer to coordinate that internally, that's fine. But we'd be happy to add any names you provide us to the attendee list and agenda that will be sent out with the webinar invitation.

Thanks,

Dave
