Lou -

I would like to get a few missing pieces of information for the consultation letter going out on the Supplemental EA.

CSXT Subdivision name(s):

- What is the name of the CSXT subdivision(s) from Cincinnati to Sidney (via Hamilton)?

Existing train traffic in numbers of trains per day:

- On the Indianapolis Line Subdivision from Indianapolis to Sidney? In a previous phone conversation, I believe you provided a number in the range of about 30 to 35 trains per day.
- On the LCL Subdivision from Louisville to Cincinnati.
- On the subdivision from Cincinnati to Sidney.

Thanks,

Dave
