Dear Name of Private Landowner:

Pursuant to Stipulation IX of the Amended Programmatic Agreement approved August 12, 2016 and the Final Resolution Plan approved September 7, 2017 in the above-referenced proceeding, I am writing to (1) inform you that the archaeological field work that Southwest Gulf Railroad Company (SGR) was required to conduct has been completed, and (2) determine if you, one of seven private landowners with materials found on your property, are interested in donating the collected artifacts identified per parcel and property owner in the attached list.

If you are interested in donating the artifact finds associated with your property, SGR intends to curate these items at the Center for Archaeological Studies at Texas State University in San Marcos, Texas. If I do not receive a response from you by October 18, 2018, SGR will return the artifacts to you. Please respond to the address below.

☐ Yes, I would like to donate the artifacts found on my property for curation.

☐ No, I would like to retain the artifacts found on my property, please return.
