Dear Consulting Parties,

Please be advised that the Surface Transportation Board's (STB) Office of Environmental Analysis (OEA) has extended the comment period for the Tongue River Railroad Project. As noted in the attached decision, OEA is now accepting public comments on the Draft Scope of Study, potential alternative routes for the proposed rail line, and environmental issues until **January 11, 2013**. Please submit any comments that you may have to either Ken Blodgett at blodgettk@stb.dot.gov or Danielle Gosselin at gosselind@stb.dot.gov. If you prefer, you can also e-file any comments via the STB web site at <http://www.stb.dot.gov/stb/efilings.nsf>. Additional directions for providing comments are included in the attached decision.

Please feel free to contact me at 202-245-0293 or gliddenc@stb.dot.gov if you have any questions.
