RE: STB Finance Docket No. 35095, The Alaska Railroad Corporation – Petition
to Construct and Operate - Rail Line Extension to Port Mackenzie, Alaska

Dear Ms. Floyd:

This letter responds to your request for a copy of the 2008 eagle survey report prepared by our third-party consultant for the project area. We are happy to convey the survey report under the condition that the Alaska Railroad Corporation and its contractors do not distribute or share the contents of the survey report with the public. The enclosed compact disk includes the survey report and the flight lines and results in GIS format.

If you have any questions or comments, please do not hesitate to contact Dave Navecky, SEA Project Manager, at 202-245-0294, or Alan Summerville, ICF Consulting Project Manager, at 703-934-3616.

Sincerely,

Victoria Rutson
Chief
Section of Environmental Analysis
