Subject: URB - request for timing and GIS for Emma Park area surveys

Kevin,

I am writing to request information regarding your surveys for the refinements to the Indian Canyon route near Emma Park. As soon as available, please provide the schedule for the planned fieldwork being conducted in Emma Park connection with the Indian Canyon route. This will allow us to schedule our staff to participate in field work verification activities along with your crews.

In addition, please provide us with GIS for the initial routing of the Emma Park study area.

Thank you in advance for this information.

Chris
