Hi Tracie,

Wonderful, then I can make the agenda "final" and distribute it to the contacts along with the Draft PA. To your questions below, I don't have an invitation per se, I was just calling the groups on our contact list with specifics about the meeting, and following up with e-mails to those I didn't speak with. I'll finalize the agenda, and Judy could send that out as an invitation. Nadjah said she would be joined on the call by the Assistant Director, but did not give the name, so I assumed it would be Charlene Dwin Vaughn. Because of the time change, ACHP may have to drop out of the meeting before the end. If you want a call-number, we can use mine, which is:

Host Passcode: 3644565

Participant Passcode: 364456

Toll-free number: 1-877-423-6338

Toll Number: 1-571-281-2578

Thanks so much, and it will be great to meet and see you tomorrow.

Rick

Hi Rick,

I took a look at the agenda and I have no comments. Judy is planning to attend the first hour or so and will do our SHPO perspective intro. She has to leave for Fairbanks around 2:30 or 3. She would like to invite a few other Iditarod trails people that she didn't see on the list, do you have an invitation letter I could forward her to send out?

Is Nadjah the only person participating by telephone? I forgot to set up a teleconference but will do that this afternoon so that the number can be distributed tomorrow.

See you tomorrow at 4pm—if that ends up not working, just let me know and we can also meet Thursday morning 9:30-ish. Our office is on the 13th floor of the atwood bldg, suite 1310.
