Kathryn -

Yes, we are available then.

Can you tell me how many folks to expect to ensure that I reserve an appropriately sized conference room?

Also, are there any particular topics they would like to discuss?

Thanks,

Dave

Hi Vicki and Dave,

Next week a large group of folks (John Duffy and others) from the Borough will be visiting D.C. They are interested in getting together with you for a brief meeting. Would you have time next Thursday July 15 at 3pm?

Thanks, Kathryn
