Hi David,

Per your request, this e-mail series with the Knik Tribal Council (KTC) was a follow-up from the 10/21/2010 meeting to make sure KTC had an opportunity to review the 2009 Cultural Resources Annual Report and make sure there was no sensitive information in that report before it got distributed to other parties. I plan to follow up with KTC as the revised PA outline progresses.

Hi Richard,

I'm still checking with STB to see if there is a specific timeframe. We don't plan to distribute the report to other groups until we get the Knik Tribal Council's OK, so please just let us know when you hear back and if we need to delete any more sections of sensitivity. If STB comes back with a specific deadline, I'll pass it on to you.

Thanks,

Rick

Rick-Thank you for the document. I will sit down with council and see if there is any information that we don't want distributed. Please let me know if there is a known timeframe.- Richard

Debra and Richard,

It was a great pleasure to meet you last week, and I hope you are both doing well. As discussed at our meeting, Stephen R. Braund & Associates has modified the cultural resources annual report for 2009, and we wanted you to identify what, if anything, the Knik Tribal Council does not want to be distributed to the other groups. FYI, the information collected during the 2009 Dena'ina interviews is reported on in pages 74-90. Please let us know what can or cannot be shared with the other groups.

Thanks very much,
Rick
