Subject Re: Fw: Port MacKenzie Rail EIS

Hello, Dave.

I have just returned to Anchorage late last night and have not heard anything from Matt, and I do not have a response on the invitation I sent. According to our office calendar, I believe he should be in today, so it may be that he is planning to participate, so I would like to proceed with the meeting if it still works for you. If Matt is unable to attend, I will share information with him from our conversation later.
