Curation Comments.docx

Elizabeth,

Attached are some minor comments on the Curation Policy. Overall, I think this document is quite good. However, please send Word documents in the future for review as it is difficult to comment on PDF files.

Thanks,
Cathy

 Subject: PMRE Curation Policy

Sent on behalf of ARRC:

Hello,

In accordance with Stipulation VI of the Port MacKenzie Rail Extension (PMRE) Project Programmatic Agreement (PA), the Alaska Railroad (ARRC) is pleased to submit the Working Group's *Curation Policy* for a formal review. The PA stipulates a 30-day review period (ending on March 9, 2012). However, based on the ongoing consultation between the Working Group and SHPO during development of this policy and the forthcoming onset of construction in Segment 1 (planned for February), we respectfully request an expedited review. Please provide comments by February 24, 2012 if possible.

Please contact Barb Hotchkin at 907.265.2313 or Brian Lindamood at 907.265.3095 if you have questions or require additional information.

Thank you!

Elizabeth

It would be best to send any documents where a review is requested in Word. It is difficult to comment on a PDF Document.

Page 1, Introduction

Last sentence paragraph 1: Change to:

The STB provided its authorization after completing an Environmental Impact Statement (EIS). The EIS included environmental mitigation conditions including compliance with a Programmatic Agreement (PA) that stipulates the steps that must be taken in order to address any adverse effects to historic properties that may occur as a result of the project construction.

First sentence paragraph 2:

The PA was developed amongst.....

Page 2, last paragraph:

Right-of-way not right-of way.

Page 3, After first sentence insert:

Such collections include those recovered as a result of construction activities associated with issuance of a Federal license, such as the case here.
