Chuck -

Thanks for your reply and jurisdictional clarification. We will remove the SFWMD from our mailing list. Our initial outreach efforts included the St. John's River Water Management District as well. For Deborah's benefit, those materials went to Susan Moor.

Thanks again for helping us update our mailing list.

Subject: Docket 35852 Port Canaveral

Good Afternoon David,

I am in receipt of your NOIP for the EIS. Please be aware, the SFWMD does not have jurisdiction in this area. Water Management Regulations in the project area are addressed by the St. John's River Water Management District. If you need further coordination with our agency, please contact Deb, She's copied for your convenience.
