Dear Consulting Parties,

The Surface Transportation Board has updated its Tongue River Railroad website with two invaluable historic maps of the project area and notes from the April, May and June conference calls. To view these documents, please click on the hyper-links shown below or go to the website at http://www.tonguerivereis.com/sect_106.html.

- May 13, 2013 Section 106 Teleconference ([EI-20250](#))
- June 10, 2013 Section 106 Teleconference ([EI-20251](#))

As you know, the Board is embarking on its second week of archaeological/tribal field work as part of its NEPA alternatives analysis. Last week went very well. If you have any specific questions regarding the progress of the fieldwork, please get in touch with Rick Starzak. His contact information is shown below:
