Subject: UBRY NOI to be issued June 19

Brian,

I apologize for sending this on a weekend, but I wanted to let you know as soon as possible that, due to an issue having to do with the Federal Register's formatting requirements, the Board's Notice of Intent to prepare an EIS for the Uinta Basin Railway project will be published on Wednesday June 19, rather than Monday June 17 as my office had previously planned. I would appreciate it if you could pass this information to the Coalition in case they will be looking to see the NOI published tomorrow.

Thanks,
Josh
