Subject Re: Meeting and more time

Hi Dianne:

Thanks for your letter. I have been intending to send out an email to participating tribes after speaking with Randy Withrow about your need for additional time. However, I wanted to wait to hear from you regarding your concerns.

I would request that you provide us with your preliminary recommendations regarding any of the sites as soon as possible. But that any final recommendations be submitted (regarding any of the sites) by July the 27th. I understand that you may need to meet together to discuss the eligibility of sites as a group. I think this is a reasonable request.

What dates were you looking at to meet at Wakpa Sica? Would you want Randy and me there for the entire meeting? Would you also want DM&E to participate?

Randy, Chris and I were intending to meet with DM&E and HDR staff in Minneapolis next week on the 7th. Perhaps we could schedule to meet with you on the 8th or 9th of July. Let me know what dates you are looking at and we'll see what we can do.

Best Regards,

-Cathy
