RE: Docket No. FD 34797 (Sub-No.1), New England Transrail LLC, d/b/a Wilmington and Woburn Terminal Railway—Construction, Acquisition & Operation Exemption—in Wilmington and Woburn, Mass.; Final Scope of Study

Dear [Insert Name]:

On September 30, 2016, the Surface Transportation Board (Board) published a Notice of Intent to prepare an Environmental Impact Statement (EIS) to evaluate potential environmental impacts associated with the proposed New England Transrail, LLC (NET) project. NET intends to acquire, construct and operate various rail lines and construct and operate transloading facilities in the towns of Wilmington and Woburn, Massachusetts. NET proposes to acquire 5,727 feet of existing track, to rehabilitate or construct a combined 10,838 feet of track, and to operate as a rail carrier over the total 16,565 feet of track on and adjacent to property currently owned by the Olin Corporation at 51 Eames Street in Wilmington.

The Final Scope of Study for the NET EIS is now available to view or download on the Board's website, www.stb.dot.gov or on the New England Transrail EIS website, www.NewEnglandTransrailEIS.com.

If you have any questions concerning the Board's EIS process or need specific information about the proposed project, please feel free to contact Danielle Gosselin of my staff by phone at (202) 245-0300 or by email at danielle.gosselin@stb.gov.

Sincerely,

Victoria Rutson

New England Transrail Environmental Impact Statement

On September 30, 2016, the Surface Transportation Board (Board) published a Notice of Intent to prepare an Environmental Impact Statement (EIS) to evaluate potential environmental impacts associated with the proposed New England Transrail, LLC (NET) project. NET intends to acquire, construct and operate various rail lines and construct and operate transloading facilities in the towns of Wilmington and Woburn, Massachusetts. NET proposes to acquire 5,727 feet of existing track, to rehabilitate or construct a combined 10,838 feet of track, and to operate as a rail carrier over the total 16,565 feet of track on and adjacent to property currently owned by the Olin Corporation at 51 Eames Street in Wilmington.

The Final Scope of Study for the NET EIS is now available to view or download on the Board's website, www.stb.dot.gov or on the New England Transrail EIS website, www.NewEnglandTransrailEIS.com.

If you have any questions or would like to receive a hard copy of the Final Scope of Study in the mail, please call our toll-free number: 1- 877-573-8930 and leave a message with your full name and mailing address or email newenglandtransraileis@icf.com.
