Subject FW: Update on the Extension of the Alaska RR to Port
MacKenzie

Hi Najah,

Welcome back. This e-mail is to give you a brief update on the NHPA Section 106 consultation:

- 1) Richard Porter of the Knik Tribal Council (KTC) is preparing their comments on the draft PA and proposed revised outline. The KTC has not yet completed their review of the 2009 Cultural Resources annual report for sensitivity before distribution to other parties.
- 2) Marc Lamoreaux and David Harrison of the Native Village of Eklutna have requested full involvement in consultation for revising and implementing the PA. Eklutna was invited to the Oct. 21 meeting, but they were not in attendance. Eklutna was previously sent a copy of the draft PA, in which they were shown as a concurring party.
- 3) Left e-mails and voice mails for Tracie and Doug at the Alaska SHPO over the last couple of weeks to solicit their comments on the draft PA and proposed revised outline, but have not yet received a response. I plan to make follow up calls today.

Please let me know if you have some time today or tomorrow to discuss revisions to the PA and next steps. Thanks very much for your help on this.
Rick
