Re: Docket No. FD 30186, Tongue River Railroad Company, Inc. —Rail
Construction and Operation—in Custer, Powder River and Rosebud Counties,
Mont.; Information Request #2 Extension

Dear Mr. Coburn:

By letter dated April 5, 2013, the Office of Environmental Analysis (OEA) requested information from the Tongue River Railroad Company, Inc. (TRRC) pursuant to 40 C.F.R. § 1506.5(a) in connection with the above-referenced proceeding. In the letter, OEA required TRRC to provide the information no later than April 19, 2013. By letter dated April 19, 2013, TRRC requested an additional two weeks in which to respond due to the extent of the data requested and the fact that TRRC's engineering team was in Lame Deer, Montana, during the week of April 15-19th attending the project's Section 106 meetings. OEA grants TRRC's request for a two-week extension until May 3, 2013, to provide the requested information.

If you have any questions, please contact me or Danielle Gosselin of my staff at (202) 245-0300.

Sincerely,

Victoria Rutson
Director
Office of Environmental Analysis
