Dear Consulting Parties:

This is a reminder that our monthly Tongue River Section 106 call is today at 1 PM EST/11 AM MST.

Today's call will focus on our recent efforts to advance the drafting of the project programmatic agreement (PA). We have developed a small focus group to assist us in this effort. During today's call, we will discuss the group's current draft of the PA stipulations. I have attached this document below along with our most recent version of the whereas clauses.

The agenda items for today's call are as follows:

1. Update on NEPA Process: Ken Blodgett
2. Working Group Summary: Vicki Rutson
3. Stipulations: Rick Starzak
4. Field Work Results: ICF Staff

Please use the following call-in number and password for the call:

Toll-free number: 1-877-423-6338,

Participant Passcode: 364456

We look forward to your participation on the call today.

-Cathy
