Kathryn,

Thank you for reaching out about this. Your request for an extension to submit the response to Information Request 3 is granted. We look forward to receiving it on Monday November 25. Can you please confirm whether the final centerlines for the Whitemore Park Route, Indian Canyon Route, and Wells Draw Route will be submitted as part of the Information Request 3 response?

Best,
 Josh

Kevin,

Thank you for organizing the meeting today regarding the engineering and environmental baseline collection progress. Following our discussion, I am requesting that you please submit the response for Information Request #4 on Wednesday November 20, rather than Tuesday November 19. This is to allow you to provide the additional detail that we discussed today beyond what was in the initial request. Please let me know if you have any questions or concerns.

Best,
Josh
