Hi Najah,

Our deadline for comments on the draft PA was January 16th, 2015.

We have posted a matrix with the comments received on the PA and how those have been addressed. The document has been posted on the [Historic Preservation Page](#) of the Tongue River EIS website under: Comments on Draft Programmatic Agreement - [Response to Comments on the Development of the PA](#).

We are shooting for late April for issuance of the DEIS. Once the DEIS is issued, there would be additional time to comment on the draft PA.

Please feel free to call me or Rick if you have any additional questions or concerns.

Best Regards,

-Cathy

Hi Rick,

Just want to check on the status of the revised PA. Given that the ACHP participated in the development of the draft PA, it would be helpful to review the comments of other consulting parties before we comment on the draft PA again. Are the comments being posted on a website? Are you still receiving comments? I believe the comment period has closed or has it been extended?

Thanks,
