Subject AB-512X Final Report

The last time that we spoke, you indicated that SPI was trying to locate the Final Report and photographs that were sent to the ACHS in January. If SPI cannot locate those materials by December 1, 2009, I suggest that you send another Final Report with all the photographs to Dave Butow, who is a member of the ACHS. His mailing address is:

Dave Butow
P.O. Box 761
Jackson, CA 95642

You should send all the material via certified mail or in a manner that the material can be tracked. And please e-mail me when those materials are sent to the ACHS. Thank you.
