Hi Marc,

It would be appropriate to get the authorization at the end of July when it is most convenient for you and your Tribal Council Meeting.

Hi Richard,

When is the due date for signatures? We have a Tribal Council Meeting at the end of July, when this could be authorized most conveniently.

Thanks,

Marc Lamoreaux

To all Concurring Parties,

For signature, please find attached the revised Final Programmatic Agreement (Agreement) for the Alaska Railroad's proposed Port MacKenzie rail line extension.

The attached Agreement has been signed by the Surface Transportation Board-Office of Environmental Analysis (STB-OEA), the Advisory Council on Historic Preservation, the Alaska State Historic Preservation Officer, the Knik Tribal Council, the Alaska Railroad, and the Matanuska-Susitna Borough. As discussed during one of our teleconferences, several of you preferred not to receive another copy of the document until a Final Agreement had been executed. Now that the Final Agreement has been executed, STB-OEA is distributing it to all the Concurring Parties for signature.

Once signed, each Concurring Party is requested to return its signature page (only) to STB-OEA by email to David.Navecky@stb.dot.gov using an Adobe® Acrobat® attachment; or by facsimile to 202-245-0454. After emailing or faxing the signature page, please mail the original signature page to:

Dave Navecky

Thank you very much for your participation.
