Thank you for these reports.

I have one correction on your distribution of these report. It appears that the USFWS only received the Moose Mitigation Strategy. However, Mitigation Measure 39 requires that the Reclamation Report be submitted to the USFWS as well.

Please let me know if you have any questions.

Thanks,

Dave

Subject: Mitigation Reports/Plans for Port MacKenzie Raile Extension

Dear Mr. Navecky-

Please find attached several reports (6 total) required to be submitted to the STB as part of the Nov. 21st, 2011 decision and related mitigation measures. Hard copies will follow via mail. Other agencies have been copied as summarized in the cover letter.

We expect to have the remaining submissions to you early next week.

Sincerely,

Brian A. Lindamood, PE
