Subject RE: Minnesota Site Visit Information

Hello Everyone,

Thank you all for your help in planning for site visits along the DM&E Railroad segment in Minnesota. There is no meeting agenda for this event, but I can outline the projected schedule for you.

Monday, October 12 will be a travel day for all event participants.

Tuesday, October 13: Group should plan to meet in motel lobby at 8:00AM. We will visit 7 archaeological sites located along existing DM&E right-of-way east of New Ulm, MN. Site access will be via DM&E's Hi-rail vehicle to facilitate access to sites that are otherwise difficult to reach without permission to cross private land.
