GREENVILLE & WESTERN RAILWAY	)

v.	)

CSX TRANSPORTATION, INC.	)	

MOTION FOR PROTECTIVE ORDER

Pursuant to 49 C.F.R. § 1104.14(b), GREENVILLE & WESTERN RAILWAY COMPANY, LLC (GRLW), a Class III rail carrier, hereby requests that the Board issue a Protective Order allowing GRLW to file under seal an unredacted copy of a Complaint to Commence Arbitration under 49 C.F.R. § 1108.5(a) (Complaint) being filed concurrently with this Motion, and future pleadings, as required.

The Complaint seeks initiation of arbitration of a dispute as to whether under the Railroad Industry Agreement (RIA),^{1/} CSX Transportation, Inc. (CSXT), a Class I rail carrier subject to the Board's jurisdiction, should be required to grant trackage rights to GRLW over six miles of CSXT rail line between Milepost AKL 39.00 at or near Pelzer, SC and Milepost AKL 45.00 at or near Piedmont, SC.

^{1/} The RIA is designed to resolve specified disputes between Large Railroads and Smaller Railroads by means of principles set out in the RIA.

A Shipper has under consideration construction of a new rail-truck transloading facility on GRLW's rail line at Williamston, SC. The traffic that would be transported by means of the requested trackage rights is currently being transported solely by truck. The Shipper is considering rail shipment of that traffic via the potential transloading facility on GRLW at Williamston because that would enable the Shipper to have an on-hand supply of the traffic located closer to the market for the traffic than if the traffic were to continue to be transported by truck.

The identity of the Shipper and the Shipper's potential use of the proposed transloading facility are commercially sensitive. The proposed Protective Order would enable GRLW to file an unredacted version of the Complaint with the Board, and upon request, to make the unredacted version available to counsel for interested parties, subject to execution of an appropriate undertaking. Counsel for CSXT has already signed an acceptable Confidentiality Agreement such that an unredacted version of the Complaint can be sent to that attorney. This Protective Order is directed to other potential parties who might become involved in the subject matter of the Complaint.

The proposed Protective Order is consistent with numerous other protective orders previously issued by the Board. Accordingly, GRLW respectfully requests that the Board enter a Protective Order in the form set forth in the Appendix, including the forms of confidentiality undertakings appended to the Order.

Respectfully submitted,

11. No party may present or otherwise use any Designated Material at a Board hearing in these Proceedings, unless that party has previously submitted, under seal, all proposed exhibits and other documents containing or reflecting such Designated Material to the Board, and has accompanied such submission with a written request that the Board (a) restrict attendance at the hearing during any discussion of such Designated Material, and (b) restrict access to any portion of the record or briefs reflecting discussion of such Designated Material in accordance with this Protective Order.

16. Nothing in this Protective Order restricts the right of any party to disclose voluntarily any Confidential Information originated by that party, or to disclose voluntarily any Confidential Documents originated by that party, if such Confidential Information or Confidential Documents do not contain or reflect any Confidential Information originated by any other party.
