SURFACE TRANSPORTATION BOARD

DECISION

STB Finance Docket No. 29910 (Sub-No. 1)

D&I RAILROAD COMPANY—NOTICE OF INTERIM TRAIL USE AND
TERMINATION OF MODIFIED RAIL CERTIFICATE

Decided: April 1, 2005

In D&I Railroad Co.—Operation—Between Sioux Falls, SD, and Sioux City, IA—Modified Rail Certificate, Finance Docket No. 29910 (ICC served May 4, 1982), D&I Railroad Co. (D&I) was issued a modified certificate of public convenience and necessity (modified certificate) under 49 CFR 1150, subpart C, to operate approximately 97 miles of rail line owned by the State of South Dakota between Sioux Falls, SD, and Sioux City, IA.

On October 6, 2004, a decision and notice of interim trail use or abandonment (NITU) was served authorizing a 180-day period for the South Dakota Department of Transportation (SDDOT) to negotiate an interim trail use/rail banking agreement with D&I for the Sioux Falls segment of the rail line.¹

On March 28, 2005, D&I and SDDOT jointly filed a motion to extend the negotiating period for an additional 180 days. The parties state that the negotiations to reach an agreement for interim trail use/rail banking are currently continuing in good faith, but that more time is needed to finalize negotiations.

Where, as here, the carrier is willing to continue trail use negotiations, the negotiating period may be extended. An extension of the negotiating period will promote the establishment of trails and rail banking consistent with the National Trails System Act, 16 U.S.C. 1247(d).² Accordingly, the NITU negotiating period will be extended for an additional 180 days from April 4, 2005 (until October 1, 2005).

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

¹ The Sioux Falls segment extends 1.38 miles between milepost 70.1 (near East 11th Street) and milepost 71.48 (East Junction) in Sioux Falls.

² See Rail Abandonments—Supplemental Trails Act Procedures, 4 I.C.C.2d 152, 157-58 (1987).

It is ordered:

1. The joint motion of D&I and SDDOT to extend the NITU negotiating period is granted.
2. The negotiating period under the NITU is extended for 180 days until October 1, 2005.
3. This decision is effective on the date of service.

By the Board, David M. Konschnik, Director, Office of Proceedings.
