Release of Waybill Data

The Surface Transportation Board has received a joint request from the Illinois Department of Transportation and the Missouri Department of Transportation (WB18-15 – 4/13/18) for permission to use data from the Board’s 2014-2016 Masked Carload Waybill Samples. A copy of this request may be obtained from the Office of Economics.

The waybill sample contains confidential railroad and shipper data; therefore, if any parties object to these requests, they should file their objections with the Director of the Board’s Office of Economics within 14 calendar days of the date of this notice. The rules for release of waybill data are codified at 49 CFR 1244.9.
