SERVICE DATE – LATE RELEASE JUNE 20, 2007

SURFACE TRANSPORTATION BOARD

DECISION

STB Finance Docket No. 28905 (Sub-No. 29)

CSX CORPORATION—CONTROL—CHESSIE SYSTEM, INC.
AND SEABOARD COAST LINE INDUSTRIES, INC.

(Arbitration Review)

Decided: June 20, 2007

On June 13, 2007, the Sheet Metal Workers International Association (SMWIA) filed a petition to review an arbitration award. Concurrently, SMWIA filed a motion asking the Board to waive the 30-page limit prescribed in 49 CFR 1115.2(d) and 1115.8 so that it can file the award and related documents. SMWIA claims that these materials are essential for the Board to fully understand the petition. The request is reasonable and will be granted. A reply from CSX Transportation, Inc. (CSXT), the other party to the arbitration under review, will therefore be due 20 days from the filing date of SMWIA's supplemental submission.

It is ordered:

1. SMWIA's motion is granted.
2. CSXT's reply to SMWIA's petition for review of the arbitration award is due 20 days from the filing date of SMWIA's supplemental submission.
3. This decision is effective on its service date.

By the Board, Vernon A. Williams, Secretary.
