

SURFACE TRANSPORTATION BOARD

DECISION

STB Finance Docket No. 34236

BOLEN-BRUNSON-BELL LUMBER COMPANY, INC.

v.

CSX TRANSPORTATION, INC.

Decided: December 4, 2002

The opening statement of complainant Bolen-Brunson-Bell Lumber Company, Inc. (BBB), was filed in this proceeding on October 28, 2002. Defendant CSX Transportation, Inc. (CSXT), filed its reply on November 25, 2002.¹ Due to the Thanksgiving holiday, and in light of what BBB terms the “unusually lengthy nature of CSXT’s reply,” BBB now seeks a 7-day extension, until December 17, 2002, of the due date for its rebuttal. BBB states that CSXT does not oppose its extension request.

The request for extension is reasonable and will be granted.

It is ordered:

1. The request for extension is granted.
2. Complainant’s rebuttal statement is now due on December 17, 2002.

¹ In a decision served on November 15, 2002, the due dates for CSXT’s reply and BBB’s rebuttal were extended at CSXT’s request.

3. This decision is effective on its service date.
