Decided: September 9, 1997

By decisions served June 10, 26, and 27 and July 11, 1996, the Board established procedural schedules in these proceedings. Due dates were extended by subsequent decisions. Petitioners' opening statements were due on September 5, 1997.

By letter filed September 9, 1997, petitioners request an additional extension to October 6, 1997, to file their opening statements. Petitioners state that they have notified respondent's counsel, and that respondent does not object to this request.

Petitioners' request for an extension of the due date for their opening statements will be granted. **The procedural schedules will be adjusted accordingly. In light of this extension and the extensions previously granted, further extensions will be granted only upon a showing of good cause. If a further extension is requested, petitioners must explain why the extension is necessary.**

It is ordered:

1. Petitioners' extension request is granted.
2. Petitioners' opening statements are due on October 6, 1997.
3. Respondent's reply is due on November 5, 1997.
4. Petitioners' rebuttal statements are due on November 25, 1997.
5. This decision is effective on the service date.

¹ These proceedings are not consolidated. A single decision is being issued for administrative convenience.

By the Board, Vernon A. Williams, Secretary.
