SURFACE TRANSPORTATION BOARD

DECISION

STB Docket No. AB-55 (Sub-No. 625X)

CSX TRANSPORTATION, INC.–ABANDONMENT EXEMPTION–
IN PRESTON COUNTY, WV

Decided: June 7, 2007

By decision and notice of interim trail use or abandonment (NITU) served on April 9, 2004 (April 2004 decision), the Board, under 49 U.S.C. 10502, exempted from the prior approval requirements of 49 U.S.C. 10903 the abandonment by CSX Transportation, Inc. (CSXT) of a 14.3-mile line of railroad extending from milepost BAJ 0.0 at Rowlesburg to milepost BAJ 14.3 near Albright in Preston County, WV, subject to trail use, public use, environmental, and standard employee protective conditions.

The April 2004 decision authorized Friends of the Cheat (Friends) to negotiate with CSXT for interim trail use/rail banking until October 6, 2004, for the 14.3-mile line under the National Trails System Act, 16 U.S.C. 1247(d) (Trails Act). By decision served on October 13, 2004, the NITU negotiating period was extended until April 6, 2005, and the time for CSXT to file its notice of consummation was extended until June 6, 2005. After the extension of the NITU negotiating period, CSXT and Friends could not reach an agreement. CSXT subsequently submitted a notice of consummation to the Board on June 3, 2005.

By letter filed on October 12, 2005, CSXT stated that it had inadvertently sent the notice of consummation in this proceeding to the Board before complying with all of the conditions imposed in the April 2004 decision. In that filing, CSXT requested that the Board allow it to retract the consummation letter so that CSXT properly could comply with the historic preservation condition, which remained unsatisfied, and asked that the Board indicate that the abandonment had not been consummated. By decision served on October 28, 2005, CSXT's request to retract the consummation letter was granted, and it was ordered that the line remained subject to the Board's jurisdiction.¹

By decisions served on December 8, 2005, May 26, 2006, and December 13, 2006, the negotiating period under the NITU was extended to May 22, 2007, for a 9.78-mile portion of the

line extending from milepost BAJ 0.0 at Rowlesburg to milepost BAJ 9.78 at Camp Dawson, in Preston County, WV. The December 2006 decision also granted a request from CSXT to extend the consummation notice filing deadline until July 21, 2007.

On May 22, 2007, CSXT filed a request for an additional 180-day extension of the NITU negotiating period until November 18, 2007. CSXT states that it has not consummated the abandonment for that portion of the line,² has been unable to finalize negotiations with Friends, and desires to continue to negotiate for interim trail use/rail banking for the 9.78-mile portion of the line with Friends. Additionally, CSXT requests an extension of the consummation notice filing deadline until January 17, 2008.

Where, as here, the carrier has not consummated the abandonment at the end of the previously imposed negotiating period for a portion of the line and is willing to continue trail use negotiations for that portion of the line by agreeing to an extension, the Board retains jurisdiction and the NITU negotiating period may be extended for that portion of the line.³ Under the circumstances, further extension of the negotiating period is warranted. See Birt v. STB, 90 F.3d 580, 588-90 (D.C. Cir. 1996); Grantwood Village v. Missouri Pac. R.R. Co., 95 F.3d 654, 659 (8th Cir. 1996). Accordingly, the NITU negotiating period will be extended for that portion of the line extending from milepost BAJ 0.0 at Rowlesburg to milepost BAJ 9.78 at Camp Dawson, in Preston County, WV, for a period of 180 days, from May 22, 2007, to November 18, 2007, and the consummation notice filing deadline will be extended from July 21, 2007, until January 17, 2008. Given the length of time the parties have had to negotiate a trail use agreement, however, the negotiation parties are urged to conclude their negotiations so that further extensions are not necessary.

This decision will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. The requests by CSXT for an additional 180-day NITU negotiating period and for an extension of time to exercise abandonment authority for the above-described portion of the line are granted.
2. The negotiating period under the NITU is extended to November 18, 2007.

² In a pleading filed on November 22, 2006, CSXT stated that it had consummated the abandonment for the remaining portion of the line, extending between milepost BAJ 9.78 and milepost BAJ 14.3.

³ See Rail Abandonments—Supplemental Trails Act Procedures, 4 I.C.C.2d 152, 157-58 (1987).

3. The authority to abandon must be exercised on or before January 17, 2008.
4. This decision is effective on its date of service.
