Docket No. 42132

CANEXUS CHEMICALS CANADA, L.P.

Complainant,

v.

BNSF RAILWAY COMPANY

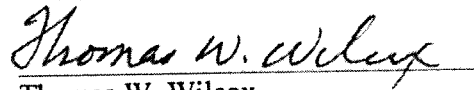

Defendant.

JOINT MOTION TO HOLD THE PROCEEDING IN ABEYANCE

Complainant Canexus Chemicals Canada, L.P. ("Canexus") and Defendant BNSF Railway Company ("BNSF") hereby request that the Board hold this proceeding in abeyance.

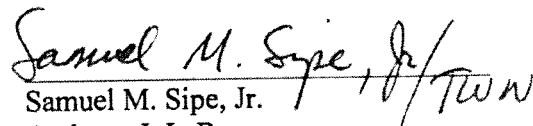

Canexus and BNSF have reached an agreement in principle to settle the rate reasonableness claims raised by Canexus in this proceeding. The parties request that the Board hold the proceeding in abeyance while the parties work out the terms of a final settlement and enter into a rail transportation contract. The parties request that the time period for issuing a decision in this proceeding under *Simplified Standards for Rail Rate Cases*, STB Ex Parte No. 646 (Sub-No. 1), at 23 (STB served Sept. 5, 2007), be tolled while the parties work out the terms of a final settlement. The parties will immediately inform the Board when the parties have concluded their settlement, or if it is necessary for the Board to resume the procedural schedule.

Respectfully submitted,
