Proposal on Demurrage

David George Kirkpatrick
13830 Circa Crossing Drive
Lithia, FL 33547

david.kirkpatrick@mosaicco.com

The Fertilizer Institute and The Mosaic Company
Mosaic apposes STB's ruling of allowing rail carriers to invoice shippers rather than terminals/warehouses for demurrage. As a shipper, we have limited control over the unloading and congestion at the terminals and warehouses. We would prefer for these entities to deal directly with demurrage disputes and invoices with the rail carriers.
