Substitution of Appearance / Clarification of Extension Request

Dear Ms. Brown:

On October 10, 2019, I filed a substitution of appearance on behalf of Wilmington Woburn Intermodal, LLC ("WWI"), together with a request for extension of time for the filing of the October status report. Given that the petition to substitute WWI as the petitioner for New England Transrail, LLC ("NET") remains pending, I also should have filed to substitute as counsel for NET. I am also taking over the representation of NET, and request that my appearance be substituted for Mr. Heffner and that the Board's list of parties be updated accordingly. My address and contact information for the service list are as follows:

Additionally, I request that the request for extension of time for filing the October status report be considered a joint request on behalf of both NET and WWI.

Please let me know if you need any additional information.

Respectfully,

CLARK HILL PLC
