Dear Chairman Begeman:

Please accept this letter as a formal notice for a request to testify by Olin Corporation at the upcoming hearing on Revenue Adequacy on December 12, 2019. Frank Chirumbole, Olin's Vice President of Global Integrated Supply Chain, will provide testimony on behalf of the company. We would request 15 minutes to deliver oral testimony, or whatever amount of time the Board is able to allot.

Thank you and we look forward to providing our input on this important issue.

Sincerely,

Michael Meenan
Director of Government Affairs
