Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

I moved here for many reasons and I pay a huge amount of tax money for that privilege - I am not opposed to commerce but I am opposed to the destruction of a community - Concerns of traffic congestion, noise, emergency vehicles not being able to get through are of a major concern. I absolutely see no effective solutions to these issues on the part of CN. It should not be up to the residents to shoulder the cost of this mitigation and endure the significant negative impact this railway will impact on this community. I am concerned w/ the small business currently rooted here - People will shop elsewhere to avoid the trains. There are ~~not~~ safety issues of increased traffic - All around there is ABSOLUTELY NO BENEFIT to anyone except CN.

YOUR INPUT IS IMPORTANT!
